ST 782 (COL & Online) Cultural Apologetics in Contemporary Society

Saturdays: 9:00 a.m.–5:00 p.m: 9/7, 10/5, 11/2, 12/7; in-person and live video conference for distance students

Cultural apologetics seeks to demonstrate that Christianity is not only reasonable, but desirable and beautiful. This course examines the present culture-shaping institutions (the university, the arts, business, and government) to discern how people perceive, think, and feel in order to develop an apologetic that demonstrates how the gospel provides a better plausibility structure. This plausibility structure is one that engages our whole being: intellect, will, and emotions.
