Dear Pastor,

Grace and peace to you in the name of our Lord Jesus Christ. Thank you for your interest in the Pastor position at Hollywood Church in Greenville, North Carolina. We look forward to talking with you about our congregation's ministry and mission, and the unique opportunities for gospel-centered service within the Greenville community.

Greenville is a city rich with potential for meaningful pastoral ministry. As a growing university town anchored by East Carolina University and a major medical community, Greenville brings together families, students, professionals, and retirees from diverse backgrounds and life stages. This blend creates fertile ground for discipleship, outreach, and intergenerational ministry.

Greenville has a strong sense of community, a family-friendly atmosphere, and a reputation for hospitality. The city's proximity to Eastern North Carolina's rural communities also presents opportunities for regional outreach, service, and partnership beyond the city limits. Greenville is a place where a church can care deeply for its own congregation and serve as a light to the broader region.

Hollywood EPC is situated right on the edge of town where the community is growing quickly. To our north is the town, and our south opens into agricultural areas that are being sold for housing developments. Near to multiple schools we are poised for evangelism and growth. We look forward to connecting with the pastor who would like to help us grow in discipleship and in outreach.

We are praying for God to direct our next pastor to us and hope you will prayerfully consider Hollywood as you seek His call. Please contact us through our search committee chair, Linda Cutler via email (preferred) lcutler0629@gmail.com or by phone at 252-714-3479.

Sincerely,

Linda Cutler
